Dear Mr. Garcia:

This will confirm receipt of the completed Continuing Education Approval Request Form and other requisite documentation. Upon review of this submission and the criteria set forth in section 2.3.1 of *Compliance Requirements for Certified Spoken Language Interpreters*, we have determined that the proposed course meets the definition of “education” and other requisite criteria for the purposes of granting Continuing Interpreter Education (CIE) credit.

Accordingly, this CIE activity “**Advanced Interpreting Techniques**” is approved by the Court Interpreter Certification and Regulation Program (CICRP) for **4.0 CIE credits**. Course approval for this educational activity extends for a two-year period as indicated above, provided that no substantive changes are made in the content, hours, or faculty. Additionally, this specific educational activity has been assigned Continuing Education Activity Approval (CEAA) Number **19-0350**.

Please be advised that as a CIE approved provider you must conform to all provider responsibilities set forth in the *Compliance Requirements* document on our website. This includes, but is not limited to, requisites pertaining to record keeping, advertising and publicity, and issuance of attendance verification. Lack of compliance with the relevant requirements is a basis for disapproval as a CIE provider. In addition, as a provider of an educational activity, you are subject to regular audits and monitoring by the CICRP as it relates to the specific approved educational activity.
